

When we see you

I John 3:2

Mark Peterson

1. Jesus you are Lord of all creation
Jesus you are seated on the throne
Jesus you were raised to life forever
Promised us this new life by your Spirit.

*When we see you, our eyes will open
And we'll be like you, be like you
When we meet you, our hearts will gladden
And we'll sing with joy, sing with joy to you.*

2. Jesus you're the king we long to live with
Jesus you are hidden from our sight
Jesus you ascended to the heavens
Promised you'd return to take us home.

*When we see you, our eyes will open
And we'll be like you, be like you
When we meet you, our hearts will gladden
And we'll sing with joy, sing with joy...*

Jesus we'll see you as you are
We'll be like you eternally
Repeat

*When we see you, our eyes will open
And we'll be like you, be like you
When we meet you, our hearts will gladden
And we'll sing with joy, sing with joy...*

*When we see you, our eyes will open
And we'll be like you, be like you
When we meet you, our hearts will gladden
And we'll sing with joy, sing with joy to you.*
