

He lives

Mark Peterson

Your love has fallen down on me,
Your love has lifted me.
The one I call my Lord and friend,
The one who hears my cries,

Chorus:

*He lives, he lives,
My saviour lives in me,
He lights, he lights my darkness;
He tames, he tames
My own unruly will;
He makes, he makes me pure.*

Your love has fallen down on me,
Your love my only hope.
The life I long to live he gives,
The life he saved me for.

Chorus

Bridge:

Your Holy Spirit is my certainty
He lives in me, my God;
My helper for today will stay with me
Eternally, my God.

Repeat

Chorus

Ending

He makes, he makes me pure.
Your love has fallen down on me.
