

## 5. Follow the Lord Jesus Christ

If I'm encouraged by being in Christ  
If I have comfort from knowing his love  
Then I must have his mind  
And I must have his love.

*Chorus*

Follow the Lord Jesus Christ  
May his Spirit fill my heart,  
May my life be like my Lord's.  
Follow the Lord Jesus Christ  
May I cast away conceit  
May my King's purpose be mine  
And my joy will be as it should!

If in his Spirit I have fellowship  
If I receive his compassion and tenderness  
Then I must have his mind  
And I must have his love.

*(to chorus)*
