

## **Glory In The Heavens (Psalm 97)**

Mark Peterson

He reigns: let the earth be glad!  
Everyone in every place rejoice!  
He dwells: holy and sublime  
Righteousness and justice are his throne.

His foes burn on every side  
His fire consumes, his lightning lights the sky!  
The earth trembles at his sight  
The mountains melt like wax before the Lord!

### *Chorus*

*Glory in the heavens  
Glory for his people  
Glory in his justice,  
Righteousness and goodness  
Hear our cry for mercy  
God of faultless wisdom  
Glorious in judgement,  
Wonderful perfection.*

*For you are over all, O Lord Most High.*

Rejoice, those who love the Lord  
Light will shine upon the upright heart  
He guards all his faithful ones  
Delivering from wickedness and wrong

### *To Chorus*

*For you are over all, O Lord  
You are over all, O Lord  
You are over all, O Lord Most High.*

*Repeat final chorus*
