

Have You Believed?

Mark Peterson

Have you believed
The message received:
The man who knew suffering,
Anguish and grief
Not his desire
To win worldly praise
We hide our faces
From his disgrace
A man of sorrows

Chorus:

*But truly he bore all our failures and flaws
Carried our sorrows, carried our sorrows
Crushed for our sins and afflicted by God
For our transgressions, for our transgressions
A wondrous Saviour is he.*

Have you believed
The message received:
We like lost wanderers
Helpless as sheep
But he like a lamb
Led out to die
Showed no resistance
Silent his cry
A man of sorrows

Have you believed
The message received:
After his suffering
After his grief
The merciful Lord
Raised him to be
The light of salvation
The Saviour for me!
A man of sorrows

A wondrous Saviour is he. (x3)
