

## 4. Whatever Happens

### *Verse 1*

Whatever happens we must live worthy lives  
And for the Gospel stand firm, side by side.  
Do not be frightened in anything  
For we are honoured to share his suffering.

### *Chorus*

And we rejoice because we know  
That through our prayers and the Spirit of Jesus,  
In our distress, his name will be exalted,  
In trials we will not be ashamed!

We rejoice! We rejoice!

### *Verse 2*

And so we hold on, our labour bearing fruit  
And in one Spirit, we know joy and hope.  
And one before us wrote words to challenge us  
“To live is Christ, to die is truly gain”.

### *To Chorus (x2)*

We rejoice! We rejoice!

### *Verse 1 reprise*

Whatever happens we must live worthy lives  
And for the Gospel stand firm, side by side.
